SIR,

Adverting to Government order No.J.1784/Pol., dated 24th December 1912 allowing Mr. H. H. Sparkes to draw in addition, the difference between his present leave allowances and the pension - until 30th April 1913, I have the honor to state that it seems to me that this date was fixed by the Government under the impression that till then Mr. H. H. Sparkes was entiled to draw leave allowances at half average salary. This would have been the case if Mr. Sparke's leave had been governed by the rules in chapter XIII, Mysore Service Regulations. In accordance with Government order No.Fl.2808-11/G.F.415-11-2 dated 13th November 1912 however, Mr. Sparke's leave should be regulated by the rules of chapter XIV, - Mysore Service Regulations with effect from 1st April 1911. - According to these rules, Mr. Sparkes was entitled on 19th February 1912 only to one years furlough on medical certificate as he had not put in three years continuous service since last return from furlough and as for leave allowances he can get them at half average salary only up to the 18th of February 1913 and not after that date.

2. In consideration of the circumstances explained above, I have
